EDUCATION

Alliance University

B.Tech CSE

2024 - 2028

Banasiri Lions Pu College

PUC- Science

2022-2024

Vybhava Vidyaniketan School

SSLC

2022

SKILLS

- Java Programming
- Basic Database
- Python development
- Problem solving
- HTML/CSS
- Javascript
- C Programming
- c++ Programming

LANGUAGE

- English
- Kannada
- Hindi

ABOUT ME

B.Tech Computer Science and Engineering student at Alliance University with a growing focus on full-stack development and AI-enabled applications. Hands-on experience building practical projects including an online movie ticket booking system and iBuddie, an EdTech platform. Eager to build useful products, strengthen engineering skills, and contribute to software development team

PROJECTS

iBuddie — EdTech Platform

Personal Project | Full stack AI-enabled learning project
website: www.ai.ibuddie.in

- Developed an EdTech platform concept focused on improving the student learning experience through digital and AI-assisted study features.
- Designed student-oriented learning workflows and a modern web interface with emphasis on usability and practical academic support.

Movie Ticket Booking System

Academic Project | Python

- Built a movie ticket booking project demonstrating movie selection, ticket availability, booking flow, and user interaction.
- Applied programming and web-development concept

CERTIFICATIONS

- Microsoft Certified — Azure Fundamentals — Issued June 15, 2026
- Microsoft Applied Skills — Create and manage canvas apps with Power Apps- Earned April 9, 2025
- Google — Crash Course on Python (Coursera) — Completed March 6, 2026
- IBM — Solving Problems with Creative and Critical Thinking (Coursera) — Completed March 14, 2026
- University of California, Santa Cruz — C++ For C Programmers, Part A (Coursera) — Completed September 27, 2025

ACHIEVEMENTS

- CGPA: 6.4 in B.Tech Computer Science
- Scored 77.5% in PUC
- Scored 75.36% in SSLC
- Successfully completed Microsoft Azure Fundamentals Industrial certifications
- Developed real-world projects using Python, HTML, CSS, JavaScript, JSX, Firebase, google clode.
